Suntec Singapore Transforms into a Christmas Wonderland with Make-a-Wish Foundation

Singapore, 30 December 2009 - Suntec Singapore handcrafted an unforgettable Christmas for 600 children, well-wishers and benefactors of Make-A-Wish Foundation with a yuletide celebration on 23 December 2009.

The venue's 2,150 sqm ballroom was transformed into a carnival wonderland filled with activities that included face painting, sand art, roving clowns, carnival game stalls, giant inflatable bouncing castle, enchanting carousel, chair swing and F1-inspired tracks with motorised cars and bikes.

In keeping with the carnival theme, the children were also treated to popcorn, candy floss as well as pizzas, nuggets, doughnuts and sausages. Stage performances and the special appearance of Santa Claus kept children and adults entertained and enthralled throughout the party.

Suntec Singapore is a long-standing partner of Make-A-Wish Foundation, supporting the organisation in granting wishes to children with life-threatening diseases. The centre is proud to be the venue host and sponsor for the second consecutive year for the party. Suntec Singapore is also a corporate partner in providing its venue for fulfilling the wishes and turning of children's dream into magical experiences.

"At Suntec Singapore, we believe in giving back to the community in which we operate. As a responsible business entity, there is no better time than the holiday season to give back and be appreciative for what we have while remembering others who are less fortunate," says Ms Anjna Nihalani, Director of Marketing & Communications at Suntec Singapore.
